

Dear valued customer

TP22-9529
October 19th, 2022

Notice of End of Sales Hydraulic pump manufactured by Tokyo Keiki Co., Ltd.
(VVJ Pump Series)

We would like to inform you that we are now ending sales of the VVJ pump series manufactured by Tokyo Keiki Co., Ltd.

Tokyo Keiki Co., Ltd. has managed to continue production by renovating molds, repairing production facilities, and searching for alternative suppliers, but production will end due to the fact that it has reached its limit and it has become difficult to maintain the current quality.

Yours sincerely

1. 【Discontinued product】

【Applicable Machine Models】

- Injection Molding Machine (M***A, M***AⅡ Series)
- Multi-functional large-size rotary machine (M****AII-VR Series)

【Applicable Models】 VVJ80- ** / VVJ125- **

2. 【Final Order】

Final orders will be accepted by March 31, 2023 for the following 7 models.

However, please note that there is a limit to the parts stock and the quantity may be limited.
